JSC KALSNAVAS ARBORETUM - ONE OF THE MOST BEAUTIFUL GARDENS IN LATVIA, CAMPER PARKING

Latvia’s State Forests’ (LVM) Kalsnava Arboretum

The uniqueness of the LVM’s Kalsnava arboretum is characterized by the collection of foreign woody plants that adapt to the climate of Latvia to please its visitors with types of woody plants unseen in the typical Latvian landscape. It is a place to learn the secrets of nature and to quietly spend the day with family or friends, but once the knowledge is acquired, eat your delicious meal at the picnic site. The visit can be concluded with counting the steps at the viewing tower that offers a unique view of the arboretum landscape, which will surprise you during every season in Latvia.
