GRETES – MEMORIAL SITE OF J. ILSTERS, HERD OF SUCKLER COWS

Offer:
* The organic farm raises suckler cows. Tourists, accompanied by the hostess, can watch the multi-colored flock of cattle and the feeding of calves. The flock contains approximately 150 animals.

* Picnic facilities near the Stirnu Lake (fireplace, boat, catamaran, bathing place, fishing).

* Hiking (300 m) to the memorial site of the first Latvian botanist Janis Ilsters (1851-1889).

* Climbing the Gretu hill.

* Boat rental.

Information about prices:
* up to 10 persons - 10 EUR of the group;
* over 10 persons - 1 per person.
